

Tube Straightener

BrakeQuip

////// INNOVATIVE SOLUTIONS FOR AUTOMOTIVE PLUMBING

////// INNOVATIVE SOLUTIONS FOR AUTOMOTIVE PLUMBING

Instantly straightens coiled tube ... economically!

Straightens light wall tubing from 3/16 to 1/2 inch in an instant.

Simply feed your coil of tube into the straightener and it comes out straight on the other side.

Fully adjustable - smooth operation - economical even for the smallest shop.

The BQ1025 Can be used on all types of annealed tubing.
